Phonological Awareness/Rhyming:

Using the rhyming picture card deck provided complete each task in order:

1. "Yes/No" rhyming pairs (Auditory Discrimination)

Present two pictures, say the names of the pictures, and then asks, "Do these rhyme?"
present cards to elicit both "yes" and "no" responses.

If this is easy, move onto next activity

2. Choice Target Rhyming

Present two picture cards and say, "which one rhymes with (self generated target word)?"

If this is easy, add in the next activity

3. Additional Rhymes: (without picture support):

Say: "Name another word that rhymes with..."

**DI: change activity to suit the targeted phonological awareness for different students. For example: blend or segment syllables or sounds of words; or determine the first/last/middle sound in the word.*
